

ASPA White Mountain Event

Saturday (and Sunday) 20 March

Skijoring and Bikejoring into White Mountain Recreation National Recreation Area

This is our annual event to take your dogs into wilds of the White Mountains. This time of year, the days are long and usually warm, yet good snow conditions tend to be the rule. Come join us for beautiful scenery, good company, and a chance to spend the night at Eleazar's Cabin.

Cost: \$10

Departure from Wickersham Dome Parking Lot (Mile 28 Elliott Hwy) at 12:00AM on Saturday, 20 March.

Two distances:

- 1) 7 miles (one way) to Lee's Cabin Turn-off
- 2) 12 miles (one way) to Eleazar's Cabin

Participants may race or just enjoy the trail on either of the two distances.

Participants are welcome to spend night at Eleazar's Cabin and ski out on Sunday. We will coordinate meals for those staying over. The only requirement is to sign up by Wednesday, 17 March because of cabin sleeping limitations. (The cabin sleeps 6)

If you do plan to stay over, please contact Don Atwood at:

dkatwood@alaska.edu or 347-9493

A snow machine with Siglin sled will be available to haul overnight gear into cabin. But please pack sparingly (sleeping pad, sleeping bag, personal items, dog food). Those wanting to use sled should show up by 11:30 AM to get gear loaded.

Hope to see you there.....
